STUDENTS FOR A DEMOCRATIC SOCIETY

A source has advised that the Students for a Democratic Society (SDS), as it is known today, came into being at a founding convention held at Port Huron, Michigan, in June, 1962. From an initial ideological posture of "participatory democracy," the current line of the national leadership reveals an adherence to Marxism-Leninism. Michael Klonsky, National Secretary, in March, 1969, called for the building of a revolutionary Marxist-Leninist movement. The program of SDS has moved from involvement in civil rights struggles to an anti-Vietnam war position and finally to its present advocacy of an anti-imperialist line, linking up the oppressed peoples of Asia, Africa and Latin America with the black liberation movement in the United States. China, Vietnam and Cuba are regarded as countries which are leading the world-wide struggles against United States imperialism. On the other hand, SDS regards the Soviet Union as an imperialist power and does not support the policies of that country.

SDS maintains a National Office in Room 206, 160 West Madison Street, Chicago, Illinois. Its official paper "New Left Notes" reflects the line of the national leadership and program adopted at meetings of the National Council and National Interim Committee (NIC). Three national officers and a NIC of eleven members are elected each year during a June National Convention.

SDS Regional Offices and university and college chapters elect delegates to National Council meetings where program and ideology are debated, but each Region and chapter is autonomous in nature and is free to carry out independent policy and programs reflective of local conditions.

From information determined by NYO and WFO, it would not appear that [redacted] and [redacted] are without the taint of racism and Nazism. During July, 1969, ACORD and MCMAHON appeared on the Barry Farber Show, WOR, NYC, whereon MCMAHON admitted buying, early in 1969, Nazi relics, swastica armband, Nazi party pins, and record albums of German War songs. MCMAHON also admitted writing certain letters which he signed in a manner connoting either neo-nazism or a high degree of emotional immaturity.

b7c

ACORD on the above show practically endorsed the book Imperium, so-called bible of the NYA, and alleged treatise on Nazism or Fascism, but requested not to be quoted in this respect, "...right now, I'm condeming CARTO."

[redacted]

b7c

b7c [redacted]

With respect to guidelines set out in MI, Section 122, it can be said that the NYA has not at this time actually or allegedly committed acts of violence to deny others their rights under the constitution. It is not apparent at this time that the NYA has adopted a policy or has allegedly adopted a policy of advocating, condoning or inciting the use of force or violence to deny others their rights.

From the above, it would appear that questions of physical violence, racism or Nazism could better be related to investigation of particular individuals involved or under NSWPP caption rather than risk possible embarrassment to the Bureau by conducting an active investigation of the NYA at this time.

Further, investigation of the National Socialist White Peoples Party, aka The American Nazi Party, and information determined from sources familiar with the NSWPP and other White Hate groups in the WDC area has indicated no information that the NSWPP is even aware of the existance of the NYA.

Rightist Group Opens Organizing Effort Here

The National Youth Alliance, a rightist group which espouses racial inequity and proposes the destruction of radical left movements, opened its first organizing effort here Thursday.

"We believe that inequality functions consistently throughout the universe. Equality creates gigantic mediocrity," said Louis T. Byers, national organizer of the alliance.

Many totalitarians in the world have used the myth of equality to support totalitarianism, according to Byers.

The organization meeting at the Los Angeles Hilton, is attempting to mobilize rightist students on many campuses to exert pressure to stop radical student action.

A press release quoted John Hayes, described as the student spokesman of NYA at UCLA, as saying he and other students "are tired of creeps and black agitators bringing guns and violence to the college campuses across the nation.

"We will meet force with force and violence with violence."

The organization, with headquarters in Washington, D.C., uses as its bible a 619-paged book titled "Imperium" by Francis Parker Yockey.

The book defines Negroes, Jews, Indians and other minorities as "parasites" and "distorters" in Western civiliza-

Conservative Youths Back School's Stand

Members of the National Youth Alliance (NYA) of Pomona High School have gathered 500 signatures from the student body supporting action taken by school administrators for their action against the Black Students Union last week.

Principal John Cook suspended the BSU until such a time as the administration felt the organization would again cooperate with the student body and administrators, Douglas Boyd, vice president of the NYA, said.

Boyd said that he felt some BSU members are quite militant and have threatened other student on campus, including himself.

Boyd said he gave the petition with the signatures to Cook Friday afternoon.

Although the NYA has not been officially approved by the student council as a sanctioned on-campus organization, Boyd felt the acceptance of his organization is imminent. There are currently 12 active members.

When asked if he felt bla would join the NYA, Boyd s that there are conservative groes on campus but that t would probably be afraid to for fear of persecution f other more militant Negroes.

The Honorable Henry Helstoski

Dear Mr. Helstoski:

b7c

I am in deep trouble and I greatly need your help. I am 15 and a student from [redacted] I have been a member of the National South Alliance for about 1 year. It has never been a very racist or fascist organization. It's address is, The National South Alliance, 813 Dupont Circle Building, Washington, D.C. 20036.

However, just recently I received nazi literature from the following address, National socialist liberation front, 2507 North Franklin Road, Arlington, Virginia, 22201. I was horrified! I am not a nazi, nor do I intend to ever be one! I still believe the National South Alliance is not a nazi organization. But for my own sake I will quit this year because of my suspicions.

What shall I do? Is the National South Alliance affiliated with the American nazi party? Would you please investigate the matter. I would greatly appreciate it if you cleared my name from this awful incident.

Please Mr. Helstoski, for the sake of my honor and my name please help me through this nightmare. I am an american and will always be to the day I die.

Thank you very much.

Yours very truly,

NYA: Alive and Well Here

By Paul W. Valentine
Washington Post Staff Writer

The National Youth Alliance — a hard-right group that believes in get-tough tactics against campus radicals and preaches the superiority of white "Western culture"—is alive and well in Washington.

Formed last spring as a post-election outgrowth of the Youth for Wallace movement, the NYA has grown from a one-man, mailing-list operation to a booming, solvent, tightly-knit network of chapters across the country.

Louis T. Byers, 38-year-old national organizer of NYA, cites these signs of the organization's health:

• Mailing list membership has doubled since last spring from 2,000 to 4,000. Names are collated by computer.

• Revenue is pouring in at about $300 a day, mostly in contributions, membership fees and sales of Western culture literature.

• NYA this fall put out a first issue of its newspaper, Attack, with a circulation of 25,000.

• A monthly newsletter called Action circulates among the 4,000 mailing list members.

• About 20 NYA chapters or "units" with 5 to 20 activist members each have been established, mostly on college campuses.

• Numerous "right power" rallies have been staged in urban centers.

• Some 250,000 copies of "After 50 Years," an address by NYA mentor Revilo P. Oliver bemoaning the ruination of "Western culture" by "scabrous aliens," have been distributed.

• A 37-minute, 16-millimeter film of Oliver giving the address is used at "right power" rallies and other NYA functions. The film cost $6,600 to make.

• Byers' former one-man headquarters operation here now has four full-time salaried employees.

The headquarters, a cluttered eighth floor office room at 1346 Connecticut Ave. NW, is strewn with pamphlets, envelopes, mailing lists, ZIP code maps and computer print-out sheets containing the names of NYA members.

During a reporter's recent visit, a postman delivered NYA's morning mail, amounting to approximately 50 letters. Most contained contributions or membership fees ranging from $3 to $15.

Byers is the office chief and gives himself a monthly salary of $750. Articulate and well-read, he never attended college but achieved a two-year college equivalency in the Army's General Education Development program.

Byers was an area coordinator in western Pennsylvania and New York for the John Birch Society but was purged from the organization last year, he said, because of his "publicly racist" views.

He was a principal organizer of the George C. Wallace campaign in Pennsylvania last fall and personally selected all Wallace electors for the state, he says.

"Western Destiny"

The three persons working in Byers' office share his "same world view — we're all Western destiny oriented," as he puts it.

There is Carey Winters, 22, a recent dean's list graduate of Carnegie-Mellon University in Pittsburgh. She is NYA's national secretary and spends much of her energy writing NYA position papers.

Michael D. Russell, 27, as director of field activities, is on the road frequently organizing rallies and establishing NYA direct action units.

A New York state Wallace elector in 1968, Russell was turned down when he once attempted to join the Buffalo, N.Y. police force. He says the rejection was political because of his rightist views.

The fourth and most recent member of the office is Robert Johnston, 32, an ex-Navy serviceman and former special policeman on the Buffalo force. He is NYA's instructor of "preparedness and self-defense."

"Street Fighting"

"We were going to call him director of martial arts," said Byers, "but that sounded too tough." Instruction under Johnston includes "street fighting," judo, self-defense and "relationships with the police," Byers said.

Central to Johnston's role is the training and mobilization of cadres of rightist students to curb radical left action such as the seizure of campus buildings.

If persuasion fails, the cadres will physically eject recalcitrant students, Byers said. Preparation for such direct action is still in a formative stage, he added, and no major campus confrontations have been held.

The organizational structure of NYA is simple and authoritarian. All decisions and policies are formulated in Byers' headquarters. Unit leaders are hand-picked by Byers and Russell. Democratic procedures are considered inefficient.

No Dissension

"We shall not tolerate dissension," says the NYA June newsletter. "NYA is a fighting movement, not a talking one or a money-raising one, and therefore it is structured like an army.

". . . Individual advancement (of members) will be on the strict basis of individual effectiveness and ability, not conspiratorial scheming, parliamentary maneuvering or adhesion to the the right clique.

". . . Another great advantage to an authoritarian structure is that the danger of infiltration and sabotage is greatly lessened."

Byers stresses that NYA wants not only to crush radical student and black power movements but also to assert positive values of "Western destiny."

The Western destiny and culture concepts stem from a book by Francis Parker Yockey entitled "Imperium" a 619-page philosophical tract extolling the virtures of northern European civilization and warning against its adulteration by Jews, Negros, Orientals and other "culture distorters."

As the basic handbook of NYA, Imperium is pushed heavily in NYA publicity. Byers claim that 11,000 copies ($2.50) each in paperback have been sold since last spring.

SUMMARY OF INFORMATION

SYNOPSIS: (C) National Youth Alliance (NYA) is a rightist, campus based youth group with an alleged membership of 3,000. Led by Patrick Tifer of Detroit, Michigan, NYA has since inception failed to achieve ITS avowed goal of countering the programs of "New Left" organizations due to cleavage and reported infiltration and financing by Neo-Nazi sympathizers. The organization was originally composed of former Youth For Wallace members, but since then has not achieved solidarity behind the themes of anti-leftist, anti-Black Power and anti-narcotics.

DETAILS:

1. (C) The NATIONAL YOUTH ALLIANCE (NYA) is a conservative student group headquartered in Washington, D.C. NYA, composed largely of right-leaning youth between the ages of 13 and 29, has been riven with factional disputes since ITS establishment immediately after the 1968 presidential campaign. Chaired by Patrick Tifer of Detroit, Michigan, NYA claims a current membership in excess of 3,000.

2. (C) NYA was organized by members of Youth For Wallace (YFW), an organization set up to further former Governor Wallace's presidential hopes in the 1968 campaign. It was felt at the time that a conservative youth group with national prominence was needed to combat the increasing popularity of campus "New Left" sentiment. While YFW was active in 1968, a donation of $40,000 was made by Willis Allison Carto, who controls Liberty Lobby (LL), a conservative organization whose public organ, "Liberty Letter," is devoted to the dissemination of conservative political thought. The donation was to prove a major factor in the factionalization of NYA and ITS subsequent impotence in dominating young conservative movements.

3. (C) The first record of NYA is a flyer distributed in early 1969 by SUBJECT which outlined the following organizational positions:

1. Oppose narcotics both on and off campus.

2. Neutralize and overcome current "Black Power" movements with an "American Power" movement.

3. Restore law and order to college campuses. Eliminate anarchist student groups such as Students for a Democratic Society (SDS).

4. Bring peace to the world. Resist involvement in "no-win" wars.

The flyer also labelled the Republican and Democratic Parties as proponents of big business, crushing taxation, and compromise with the enemies of the US. NYA appealed

in the leaflet to Americans to support US servicemen once they are committed in an armed conflict. The third of the above NYA goals was further defined when in May, 1969, a source stated that NYA is a "coalition of conservative youth organizations whose purpose was to eject certain campus based groups, such as SDS...."

4. (C) The rifts which have neutralized the NYA since ITS inception began soon after former representatives of SUBJECT accused Carto, the major NYA financial source, of attempting to mold the organization into a Neo-Nazi, "brownshirt" group. The nazi infiltration movement is called the "Francis Parker Yockey Movement." John Patrick Acord, early National Director, received a sizeable donation from Carto (who allegedly receives a working annual budget of $1,000,000 from LL) to further YFW campaign efforts. Carto has since Wallace's defeat insisted on repayment of the donation in amounts of $1,000 per month. Acord refused, claiming the donation was a political contribution and not a loan, and on 24 Mar 69 relinquished his fight for control of NYA and severed all organizational ties. Acord was the founder of the American Southern Africa Council. He had earlier stated in an interview that NYA was a segregationist organization - a statement for which he was later censored as national spokesman Another public admission was made on 15 Aug 69 by NYA representative Mike Russell on a Baltimore, Maryland television broadcast. Russell stated that NYA members must sign an oath pledging loyalty to the constitutional republic of the US. He also advised that NYA was contemplating the circulation of petitions on college campuses urging university administrations to ban SDS. No evidence of said petitions has become available to date.

5. (C) NYA meetings have been sparse but geographically widespread. Early 1969 meetings were held in Chicago; Pittsburgh; Provo, Utah; Los Angeles; Atlanta and New Orleans. A 16 Jul 69 NYA-sponsored rally at the University of California at Los Angeles attracted 500 individuals including SDS members.

6. (C) Key Organizational personalities include the following:

National Officers (As of June, 1969):
National Chairman - Patrick Tifer, Detroit, Michigan
National Vice-Chairman - John C. Whatley, Athens, Georgia
National Secretary - Patrick Mathis, Philadelphia, Pennsylvania
National Treasurer - John McCone, Los Angeles, California
Executive Director - Dennis McMahon, Brooklyn, New York

Michigan State Officers:
Chairman - Patrick Tifer
Publications - Mike Paubron
High School Director - John Sedlak, Jr.
Macomb County Community College Chairman - Gerald Beresford

NATIONAL YOUTH ALLIANCE (NYA) (U) 2 Dec 69
813 DuPont Circle Building
Washington, D.C.

New York State Officers:
Leaders - James Sullivan
Neil O'Connor
New York Chapter claims a membership of 100.

7. (C) The NYA has during ITS brief history attempted to combine anti-left groups on campus under one central banner. Failure in this respect has resulted from hindering factionalization and Neo-Nazi influence. It is doubtful that SUBJECT in the future will pose a security threat to campuses where "New Left" organizations have gained prominence.

8. (U) This summary is based upon reports received at this headquarters as of 1 December 1969.

INFORMATION DERIVED FROM SOURCES OTHER THAN ARMY SOURCES IS INCLUDED IN THIS SUMMARY. THIS INFORMATION WILL NOT BE PASSED TO ANY AGENCY OUTSIDE THE DEPARTMENT OF DEFENSE OR THE FEDERAL BUREAU OF INVESTIGATION.

The National Youth Alliance (NYA) was reportedly formed in Washington, D. C., in November, 1968, as a successor organization to the Youth For Wallace group which was active during the presidential campaign of George Wallace. NYA has its headquarters at Washington, D. C. The Bureau has not actively investigated NYA, but has followed its activities through public source material, and established sources. Allegations have been made that the current leadership of NYA has Nazi-type leanings.

To assist the Bureau in making a proper evaluation as to whether an active investigation of NYA is warranted as a white extremist organization, WFO should prepare a summary report bringing the activities of this organization up-to-date Follow the format outlined in Manual of Instructions, Section This report should be submitted within 45 days of receipt of this communication. WFO should submit with this report its recommendations as to whether additional active investigation is warranted.

You should contact the U.S. Attorney, and advise him that requests from officials of the Department of Justice for investigation in the Internal Security field, in accordance with Departmental policy, should emanate from the Internal Security Division of the Department and we have not, heretofore, been requested to investigate this organization. We have, however received some information concerning the stated purposes and aims of the organization which for his guidance is the successor organization to the Youth for Wallace group, which was an organization of students supporting the presidential campaign of Governor George Wallace. National Youth Alliance (NYA) has publicly stated its position as being in opposition to the use of narcotics, in favor of the neutralization of "Black Power," for the restoration of law and order on the campuses, and the bringing of peace to the world.

EOUSA { For information of WFO, the Pittsburgh Office is in receipt of a request from U.S. Attorney at Pittsburgh requesting an investigation of captioned organization. For further information of WFO, the Bureau is issuing detailed instructions in a separate communication concerning the preparation of a summary report, which would bring the activities of this organization up to date for a current assessment as to whether an intensified active investigation should be instituted commencing this group.

Letter to SAC, Pittsburgh
RE: NATIONAL YOUTH ALLIANCE (NYA)
157-1208

NOTE:

The Pittsburgh Office has advised they are in receipt of a letter from the USA, Pittsburgh in which he requests that an investigation be conducted regarding the NYA. Basis of USA's request is a letter he received from an employee of the Pittsburgh Board of Education, Division of School Community Affairs requesting information concerning NYA. The School Board employee brought out in his letter to USA that NYA has increased its activities in several neighborhoods and requests information since the School Board monitors the community for"...influences that may have results within the school."

EOUSA

We have not actively investigated the NYA but we have followed their activities through established sources and public source material. The NYA, a conservative student group, is the successor organization to the Youth For Wallace group which was an organization of students supporting the presidential campaign of George Wallace. The NYA has publicly stated its positions as opposing narcotics, neutralizing "Black Power," restoration of law and order to campuses and bringing peace to the world. There has been factionalism within the NYA since its formation and early leaders of NYA who were replaced have made public allegations of Nazi-type leanings of current leadership. To date, their activities have not been such as to warrant active investigation as a hate-type organization; however, it is time to take a hard look at the activities of this organization since its' inceptio and accordingly, by separate communication, we are directing WFO-office of origin - to prepare summary report on NYA after which a determination will be made as to any further action necessary.

Pittsburgh Office has recommended a rather lengthy letter to the USA advising him we are not investigating NYA and that there does not appear to be a basis for investigation at this time. Their proposed letter also mentions information concerning subversive organizations which is extraneous to the USA's request for investigation of the NYA and need not be mentioned. It appears this matter could be better handled through personal contact with the USA and accordingly Pittsbur is being instructed to handle this matter in that fashion.

the NYA employs four full-time salaried employees. These employees including BYERS are CAREY J. WINTERS, 22, National Secretary, a recent Dean's List graduate of Carnegie-Mellon University, Pittsburgh; MICHAEL D. RUSSELL, 27, Director of Field Activities, who was described as "on the road" frequently organizing rallies and establishing NYA units. RUSSELL was further described as having been turned down as an applicant by the Buffalo, New York police force because of "his rightist views." The fourth and most recent employee was ROBERT JOHNSON (believed to be ROBERT JOHNSTON), 32, an ex-Navy serviceman and former special policeman on the Buffalo police force. He was also described as NYA's instructor of "preparedness and self-defense." According to BYERS, JOHNSTON's instruction assignments included "street fighting, judo, self-defense, and relationships with the police."

A brief survey of certain financial aspects of NYA's activities by WFO determined that [redacted] apparently receives regular renumeration from NYA. [redacted]

MARCH, 1970

The captioned issue of "Playboy" magazine has been reviewed for matters of interest to the Bureau.

The only reference to the FBI is contained in an article by George Fox entitled "Counter-Revolution." The Bureau is mentioned in passing with respect to the actions of a conservative youth group which is allegedly allied with the "Liberty Lobby." One of the supposed leaders of the National Youth Alliance is quoted as saying he requested the Bureau and the House Committee on Internal Security to investigate the actions of "Liberty Lobby" in attempting to run its affairs. Bufiles contain no information identifiable with this action which, of course, would not have been within Bureau jurisdiction. In another reference to the Bureau a volunteer underground worker who allegedly has penetrated student youth movements claimed he turned the information he obtained over to the FBI. No identifying information is provided in the article concerning this activity.

evidence of engaging in or promoting actual acts of physical violence. It would appear that isolated instances may have occurred but would have stemmed largely from efforts of individuals and were not directly attributed to NYA policy as set out at this time.

There has been no reliable information of a connectio with the National Socialist White Peoples Party (American Nazi Party) from sources familiar with the NSWPP National Headquarte

Further, there is no reliable indication of a connection with the Minutemen Organization although certain former NYA officer have attempted to indicate such affiliation to further their ow personal antagonism with present NYA leaders and sponsors.

He further indicated "in dual advancement of members will be on a basis of individual effectiveness and ability, not conspiratorial scheming, parliar maneuver, or adhesion to the right clique. Another great advar to authoritarian atructure is that the danger of infiltration a sabatoge is greatly lessened." BYERS stressed that the NYA de to counter the radical student movements and black power movem but also to assert positive values of "western destiny." The a indicated that the western destiny and culture concepts stemme from a book by FRANCIS PARKER YOCKEY entitled "Imperium," a 61 page philosophical tract extolling the virtues of a northern E civilization and warning against its adulteration by Jews, Neg Orientals and other 'culture distorters."

"Progress Bulletin", a publication in Pomona, California, issue dated March 30, 1969.

This issue contained an article headlined "Conservative Youths Back School's Stand". According to the article, members of the National Youth Alliance (NYA) of Pomona High School had gathered signatures from the student body supporting action taken by school administrators for their action against the Black Student Union the previous week. DOUGLAS BOYD was identified as vice-president of the NYA. Although the NYA had not been officially approved by the studentcouncil as a sanctioned on-campus organization, BOYD felt the acceptance of his organization was eminent. There were currently 12 active members.

When asked if he felt blacks would join the NYA, BOYD said that there were conservative Negroes on campus, but that they would probably be afraid to join for fear of persecution from other more militant Negroes.

The Black Student Union is a student black nationalist organization.

The July 11, 1969, issue of this publication contained the following information:

The NYA, a rightist group which espoused racial inequity and proposed the destruction of radical left movements, opened its first organizing effort here Thursday. The organization, meeting at the Los Angeles Hilton, was attempting to mobilize "rightist" students on many campuses to exert pressure to stop radical student action.

A press release quoted JOHN HAYES, described as the student spokesman of NYA at UCLA as saying that he and other students "are tired of creeps and black agitators bringing guns and violence to the college campuses across the nation. We will meet force with force and violence with violence".

"We believe that inequality functions consistently throughout the universe. Equality creates gigantic mediocrity", said LOUIS T. BYERS, National Organizer of the Alliance.

Many totalitarians in the world have used the myth of equality to support totalitarianism, according to BYERS.

A leaflet distributed at the NYA sponsored rally held on July 16, 1969, at the UCLA campus headed "Lost and Alone" contained the following information:

"The NYA is a dynamic new productive youth movement dedicated to the protection of your rights as a student and as an American citizen.

NYA is an organization that has the guts to fight Black Power and the New Left gangsters on the campus. NYA is a coalition of American youth who are dedicated to action for America against red anarchy. NYA will take positive and decisive action against those elements that are destroying this right to aggregation, your right to free speech and your right to a normal life".

The leaflet advised that "... Your history professor tells you that the three greatest men in life are Karl Marx, Fidel Castro, and Eldridge Cleaver. Your sociology teacher spends most of his time defending homosexuality and decrying American fighting men in Vietnam...You are amazed to find your school is filled with black scholarship students who are getting away with murder-both academically and politically".

"The black militants have the run of the campus. Your girl friend has been insulted by blacks.

b7c [redacted]

Your best friend was beat up in the school cafeteria because he refused to surrender his seat to a black activist. One day you find your school closed. The SDS has occupied the Administration Building and instead of getting education....you must be content to shuffle around the campus past tables full of revolting New Left literature and communist propaganda".

"...You flunk but the black students who hardly ever show up for class, never hand in reports, and flunk the tests get top grades".

"One day a fellow student who feels as you do says that a bunch of students are meeting tonight to try to combat the Left on campus. ...A local NYA field coordinator will speak to you and your friends. Now you have somewhere to turn. Now you can fight!"

The leaflet gave the NYA address as 130 3rd Street, Southeast, Washington, D.C.

b7c For the information of Louisville, [redacted] has indicate that the NYA is a conservative youth movement to counter the radical student movement and the Black Power movements on Ameri campuses and to assert the positive values of "western destiny. Allegations have been made that the NYA, or alleged members of NYA, will use violent means to combat the Students for a Democr Society and similar organizations if college officials do not contain campus disorders attributed to such radical campus grou Preliminary investigation is being conducted to determine if th NYA actually is promoting tactics or policy promoting use of violence.

Further, for the information of Louisville, allegatio have been made that the NYA advocates a form of National Social or Nazism; such philosophy is set forth in a book entitled "Imperium" by FRANCIS PARKER YOCKEY (deceased) which is often described as the "bible" of the NYA. To date there has been no evidence of NYA engaging in or promoting actual acts of physical violence. It would appear that isolated incidents may have occurred, but are apparently attributable to efforts of individuals and not directly attributed to NYA policy. There has been no reliable information of a connection with the National Socialist White Peoples Party (NSWPP), formerly the American Nazi Party. In summary, investigation to date would appear that the NYA is largely a paper organization devoting its primary attention to developing revenue a substantial portion of which does not appear to have been utilized in furthering its announced objectives.

Dear Mr. Hoover:

It's been a long time since I've had occasion to write you for specific advice regarding anti-Communism--but, as I have been doing for many years now, in Arizona, Illinois, and Wisconsin, I continue to accept speaking engagements everywhere, gratis, with the purpose of exposing communism. We have more immediate concern now.

My wife and I have our three adopted children who are now teenagers being exposed to the evils of drug traffic in the schools. We have moved to our present area with the hope that there would be less danger here. However, we realize that, like disease, one cannot continue to run away from an infected area. A better choice is to build a family immuniza against it--if this is at all possible. Also, we feel that o children too, have an obligation to alert others.

In recent mails our children have been receiving information and encouragement to join a youth organization called the NATIONAL YOUTH ALLIANCE. Their noted four-point program, on the surface, appears to be wholesome and patriotically Americ But knowing of the many techniques of communism in its aims to influence young minds adversely, I am writing you to learn whether or no there is any reason why our children might not serve the cause of freedom by joining the NATIONAL YOUTH ALLIANCE. I'm sure you realize how important it is to keep our youth occupied in proper and positive action that will tend to conserve our heritage.

May I hear from you?

The SDS (Students for a Democratic Society) is documented in the Appendix of this report.

An article in the February 28, 1970, issue of the Courier-Journal, a daily Louisville, Kentucky, newspaper, reported that MICHAEL D. RUSSELL, National Field Director of the National Youth Alliance, described as a newly-formed far right group, was in Louisville, Kentucky, on February 27, 1970. According to this article, RUSSELL said the National Youth Alliance is an outgrowth of the Youth for (GEORGE) WALLACE Movement formed during the 1968 Presidential campaign. RUSSELL said that the National Youth Alliance, in addition to being anti-Marxist, also does not believe in the "equality of races" and because races are "genetically different," they should not be "forced" to mix. In addition, RUSSELL said the National Youth Alliance is attempting to "stomp out" anarchist groups on the campuses.

VI. APPENDIX

APPENDIX

STUDENTS FOR A DEMOCRATIC SOCIETY

A source has advised that the Students for a Democratic Society (SDS), as presently regarded, came into being at a founding convention held June, 1962, at Port Huron, Michigan. From an initial posture of "participatory democracy" the line of the national leadership has revealed a growing Marxist-Leninist adherence which currently calls for the building of a revolutionary youth movement. Concurrently, the program of SDS has evolved from civil rights struggles to an anti-Vietnam war stance to an advocacy of a militant anti-imperialist positio China, Vietnam and Cuba are regarded as the leaders of worldwide struggles against United States imperialism whereas the Soviet Union is held to be revisionist and also imperialist.

At the June, 1969, SDS National Convention, Progressive Labor Party (PLP) forces in the organization were expelled. As a result, the National Office (NO) group maintained its National Headquarters at 1608 West Madison Street, Chicago, and the PLP faction set up headquarters in Cambridge, Massachusetts. This headquarters subsequently moved to Boston. Each group elected its own national officers, which include three national secretaries and a National Interim Committee of eight. Both the NO forces and the PLP forces claim to be the true SDS. Both groups also print their versions of "New Left Notes" which sets forth the line and the program of the particular faction. The NO version of "New Left Notes" was recently printed under the title "The Fire Next Time" to achieve a broader mass appeal.

Two major factions have developed internally within the NO group, namely, the Weatherman or Revolutionary Youth Movement (RYM) I faction, and the RYM II faction. Weatherman is action-oriented upholding Castro's position that the duty of revolutionaries is to make revolution. Weatherman is regarded by RYM II as an adventuristic, elitist faction which denies the historical role of the working class as the base for revolution. RYM II maintains that revolution, although desired, is not possible under present conditions, hence emphasizes organizing

and raising the political consciousness of the working class upon whom they feel successful revolution depends. Although disclaiming control and domination by the Communist Party, USA, leaders in these two factions have in the past proclaimed themselves to be communists and to follow the precepts of a Marxist-Leninist philosophy, along pro-Chinese communist lines.

A second source has advised that the PLP faction which is more commonly known as the Worker Student Alliance is dominated and controlled by members of the PLP, who are required to identify themselves with the pro-Chinese Marxist-Leninist philosophy of the PLP. They advocate that an alliance between workers and students is vital to the bringing about of a revolution in the United States.

SDS regions and university and college chapters, altho operating under the outlines of the SDS National Constitution, are autonomous in nature and free to carry out independent polic reflective of local conditions. Because of this autonomy interna struggles reflecting the major factional interests of SDS have occurred at the chapter level since the beginning of the 1969-70 school year.

The PLP is characterized separately in the Appendix.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank-and-file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

The following editions of "The Thunderbolt" advised of the indicated changes of address:

Issue	New Address
June, 1960	Post Office Box 783 Birmingham, Alabama
July, 1965	Post Office Box 184 Augusta, Georgia
April, 1967	Post Office Box 6263 Savannah, Georgia

NATIONAL STATES RIGHTS PARTY

On August 4, 1965, a source advised that Edward R. Fields, the Information Director of the NSRP and Editor of "The Thunderbolt," is the individual who actually controls the NSRP.

Issue No. 114, dated June, 1969, of "The Thunderbolt" lists Dr. Edward R. Fields as the National Director of the NSRP as well as Editor of "The Thunderbolt."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

MINUTEMEN

The Minutemen, whose headquarters are in Norborne, Missouri, was organized in June, 1960, by Robert Boliver De Pugh who has been publicly identified as the National Coordinator of the organization since its inception. On September 8, 1969, he announced the appointment of his 23-year-old son, Ralph C. De Pugh, to serve in this position while he completes a one year sentence in the U. S. Penitentiary for violation of the Federal Firearms Act.

Past statements by Robert De Pugh and literature distributed by the organization indicate the purpose of the Minutemen to be the resistance to and exposure of, the spread of Communist influence within the United States; for the formation of a guerrilla or underground organization to combat the troops of any foreign powers which might eventually occupy this country; and resist passage of laws which would regulate private ownership of firearms.

A source, who in July, 1969, had access to some Minutemen records, estimated that approximately 2500 individual have in the past expressed an interest in the Minutemen and hav been considered as members by De Pugh; however, source believes there are probably no more than 300 actual active members of th organization. A second source in October, 1969, advised that the Minutemen tend to grossly exaggerate the number of their members. The source estimated the actual membership to be no more than possibly 350 members.

In April, 1966, De Pugh, in his book, "Blueprint For Victory", wrote the Minutemen organization was then dividing into two bodies; the Minutemen and the Patriotic Party. One group, the Minutemen, would be the resistance movement and th other, the Patriotic Party, whose proper function would be to serve as the political arm of a complete patriotic resistance movement.

Members of the Minutemen organization, including Rob De Pugh and his chief assistant, Walter P. Peyson, have been a

rested in the past on charges of violations of the Federal Firearms Act, Bank Robbery-Conspiracy, Illegal Possession of Firearms and Conspiracy to Commit Arson. They have also engaged in maneuvers utilizing guerrilla tactics, wherein machine guns, mortars, grenades, and other firearms were employed.

APPENDIX

PROGRESSIVE LABOR PARTY (PLP)

"The New York Times" city edition, Tuesday, April 20, 1965, page 27, reported that a new party of "revolutionary socialism" was formally founded on April 18, 1965, under the name of the PLP which had been known as the Progressive Labor Movement.

According to the article, "The Progressive Labor Movement was founded in 1962, by Milton Rosen and Mortimer Scheer after they were expelled from the Communist Party of the United States for assertedly following the Chinese Communist line."

A source advised on June 3, 1968, that the PLP held its Second National Convention in New York City, May 31 to June 2, 1968, at which time the PLP reasserted its objective of the establishment of a militant working class movement based on Marxism-Leninism. This is to be accomplished through the Party's over-all revolutionary strategy of raising the consciousness of the people and helping to provide ideological leadership in the working class struggle for state power.

The source also advised that at the Second National Convention Milton Rosen was unanimously re-elected National Chairman of the PLP and Levi Laub, Fred Jerome, Jared Israel, William Epton, Jacob Rosen, Jeffrey Gordon, and Walter Linder were elected as the National Committee to lead the PLP until the next convention.

The PLP publishes "Progressive Labor," a bimonthly magazine; "World Revolution," a quarterly periodical; and "Challenge-Desafio," a monthly newspaper.

The April, 1969, issue of "Challenge-Desafio" sets forth that "Challenge is dedicated to the peoples fight for a new way of life--where the working men and women control their own homes and factories; where they themselves make up the entire government on every level and control the schools, courts, police and all institutions which are now used to control them."

PROGRESSIVE LABOR PARTY (PLP)

Source advised on May 8, 1969, that the PLP utilizes an address of General Post Office Box 808, Brooklyn, New York, and also utilizes an office in Room 617, 1 Union Square West, New York, New York.

For the information of the Bureau, WFO has noted a trend by the NYA in recent months toward a more extreme "rightist", anti-Jewish posture. This trend has been evidence by BYERS' appearance as a "principal" speaker at the National States Rights Party Convention at Newport, Kentucky, in June, 1970; the anti-Semitic character of recent NYA publications; and control of certain NYA activities by NSWPP supporters. The most notable example of the latter condition is the NYA chapter at St. John's University, New York City, which was found to be dominated by NSWPP supporters when its character a a legitimate campus organization was questioned recently by student government representatives.

The enclosed LHM is being disseminated by WFO locally to Secret Service and interested military intelligence agencies.

ENCLOSURE

Enc. 157-1-[illegible]

Rightists Open New Offices

By Paul W. Valentine
Washington Post Staff Writer

The right-wing National Youth Alliance, reorganized and revitalized in part by defectors from the old American Nazi Party, has opened new offices in Georgetown with a bookstore for anti-Zionists, scientific racists and other ideologues of the right.

"It's part of the hub of youth in D.C.," the new NYA national organizer, Robert A. Lloyd, said, of Georgetown, noted for its posh boutiques, youth culture and fashionable restored homes.

"We're here because we don't want to requester ourselves away from the youth of the country," Lloyd said.

Formed in the spring of 1969 from the remains of the Youth For Wallace movement in the 1968 presidential campaign, NYA opened a shop near Dupont Circle, another popular hippie meeting place.

It outgrew its available space there according to leaders, and the move to 1856 Wisconsin Ave. NW in Georgetown was made.

The new location includes a "Western Destiny" bookstore, which carries a broad selection of philosophical and political tracts, anthropological treatises on white or Aryan superiority, and assorted books alleging a Zionist conspiracy to undermine Western civilization, and other publications.

The store's best-seller is "Imperium," by Francis Parker Yockey. It is a weighty treatise warning of the impending demise of Western civilization unless the influence of "culture distorters," mainly Jews, Negroes, Orientals and others, is removed.

Right-Wing Youth Organization Opens New Office in Georgetown

NYA, From B1

A portion of the bookstore's inventory, according to Lloyd, comes from the now closed bookstore of the National Socialist White Peoples Party (formerly the American Nazi Party) in Arlington.

Lloyd himself was executive officer of the NSWPP but quit during a recent party split and joined NYA. He became national organizer, succeeding Louis T. Byers, who was elevated to the newly created position of NYA president. Another ex-NSWPP member, writer William Pierce, is also an NYA friend, Byers said, but is not on the payroll.

Since early 1969, Byers and a small staff have been organizing NYA chapters on college campuses across the country to fight drugs, black militancy and left-wing radicalism, with force when deemed necessary.

He claims now to have more than 3,000 members with a large portion of them organized into 62 campus chapters, ranging from the University of Chicago and New York University to Kent State University in Ohio.

Working with a 25,000-member mailing list for financial support, NYA has rapidly increased its administrative workload in the last year and will at least double its present staff of four in the next few months, Byers said.

The bookstore now has about 200 titles and will expand to 500 soon, Lloyd said.

CONFIDENTIAL

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY
Also Known As The American Nazi Party, American Nazis, The World Union of Free Enterprise National Socialists, The George Lincoln Rockwell Party

On May 26, 1970, a source who has furnished reliable information in the past advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP-WUFENS) was organized by George Lincoln Rockwell at Arlington, Virginia, on February 26, 1959. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by Adolf Hitler. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews, and communists, through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander Rockwell.

On August 25, 1967, George Lincoln Rockwell was assassinated in Arlington, Virginia, near the ANP Headquarters Building. The August 28, 1967, issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that Matthias Koehl, Jr., took command of the Party after Rockwell's assassination. This source advised that the organization continues with its aims and goals mentioned above.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY
Also Known As The American Nazi Party,
American Nazis, The World Union of Free
Enterprise National Socialists,
The George Lincoln Rockwell Party

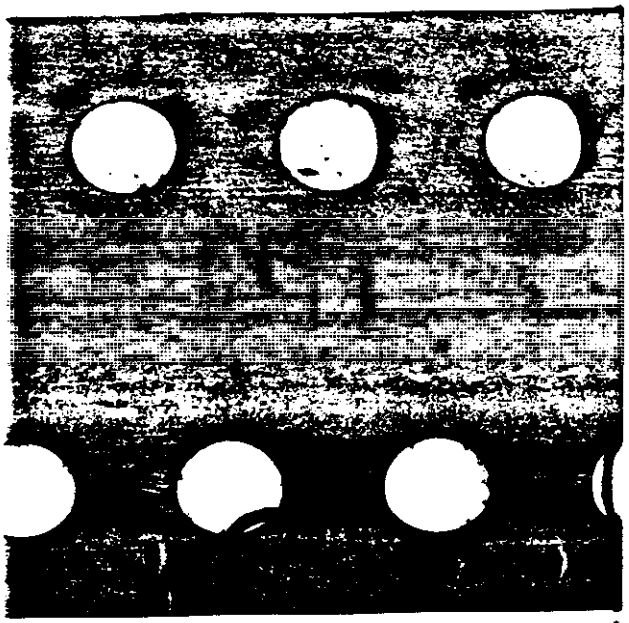

On May 26, 1970, a source who has furnished reliable information in the past advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP-WUFENS) was organized by George Lincoln Rockwell at Arlington, Virginia, on February 26, 1959. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by Adolf Hitler. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews, and communists, through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander Rockwell.

On August 25, 1967, George Lincoln Rockwell was assassinated in Arlington, Virginia, near the ANP Headquarters Building. The August 28, 1967, issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that Matthias Koehl, Jr., took command of the Party after Rockwell's assassination. This source advised that the organization continues with its aims and goals mentioned above.

Re WFOairtel and LHM to the Bureau, AX, BA, and DE dated 1/12/71.

As noted in referenced LHM, Washington, D. C. newspapers in December, 1970, reported the reorganization of the National Youth Alliance (NYA) and its relocation in the Georgetown Section of Washington, D. C., at 1656 Wisconsin Avenue, N.W. (now 1656 33rd Street, N.W.), from 813 Dupont Circle Building, Washington, D. C. According to these reports, the new NYA Headquarters includes a Western Destiny Bookstore, which is stocked with a broad selection of works on white or Aryan superiority and the alleged "Zionist conspiracy."

The above newspaper reports reflect that LOUIS T. BYERS, former National Organizer of the NYA, had been elevated to President in the new NYA organization and ROBERT A. LLOYD had become the new National Organizer. LLOYD is identified in these articles as the former Executive Officer of the National Socialist White People's Party (NSWPP) of Arlington, Virginia (formerly the American Nazi Party). CHARLES H. MC GUIRE, according to these articles, is office manager of the NYA offices in Washington, D. C., and EARL THOMAS is an assistant to MC GUIRE. Dr. WILLIAM L. PIERCE (former Information Officer of the NSWPP) is mentioned in the articles as an "NYA friend" but reportedly is not on the payroll.

NATIONAL STATES RIGHTS PARTY

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank-and-file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

The following editions of "The Thunderbolt" advised of the indicated changes of address:

Issue	New Address
June, 1960	Post Office Box 783 Birmingham, Alabama
July, 1965	Post Office Box 184 Augusta, Georgia
April, 1967	Post Office Box 626 Savannah, Georgia

On August 4, 1965, a source advised that Edward R. Fields, the Information Director of the NSRP and Editor of "The Thunderbolt," is the individual who actually controls the NSRP.

NATIONAL STATES RIGHTS PARTY

Issue Number 126, dated June, 1970, of "The Thunderbolt" lists Dr. Edward R. Fields as the National Director of the NSRP as well as Editor of "The Thunderbolt."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

On June 16, 1971, the "Detroit Free Press," a daily newspaper published in Detroit, published an article entitled "Dearborn to Host Nazi Group." The article is paraphrased as follows:

Dearborn will host a conference of the Neo-Nazi National Youth Alliance on July 3 and 4, 1971, at the Congress Inn, 12800 Michigan Avenue, Dearborn, Michigan.

The upcoming National Youth Alliance conference will draw delegates from across the country to include Willis Carto, head of Liberty Lobby and a contributor to a myriad of extremist causes, and James K. Warner of Los Angeles,
